Dear [Recruiter],

As a full-stack developer with over a decade's experience looking for an opportunity to apply my skills in new ways, I would love to bring my expertise and enthusiasm to your growing development team and help [Company] with upcoming challenges.

Everyone knows me as a solution provider who has no limits, interested in re-engineering processes and keeps solutions simple with attention to detail. Simplicity is the ultimate sophistication. I can offer you experiences, creativity plus a great eye for detail, which make me an ideal candidate for [Company].

In conclusion, I pen down saying that attaining a prosperous life is plausible only when state-of-the-art applications are in use. I have experienced working with incredible teams as a player or manager, and I have learned how to learn fast and get on with the team. Hence, being a team member of [Company] would drive me to make this dream come true and start an exciting new adventure.

Thank you for taking the time to review my credentials and accomplishments. I look forward to hearing back from you to learn more about the [Position] position at [Company] and share adequate details of my experience and motivations.

Sincerely,
Javad Adib

P.S. - I hope to have an opportunity to show the team firsthand what an asset I can be.
